

# Newsletter Autumn 2 2016

## Twitter

This is a live blog which allows us to add pictures and comments about the events that are happening in the academy. Each class also has a Twitter page. The teacher tweets pictures of work and posts notices of things happening in the class. It is a great way to keep in touch with your child's day.

To set up an account on smartphone;

## Update on doors

Thank you for your patience with this however, we still have issues in the morning as year 1 and 2 prepare for assembly. We start assembly at 9 am so children need to leave their classes at 8.55. We open doors for toast between 8.45 and 8.55. We request children be in school by 8.55 please. The doors in This corridor will be shut at 8.55 so we know who is in and out of

school. After 8.55 children will need to use the front door which opens at 9.

We are all happy to catch up with you as we want the best for your children. In the morning after 8.55 we need to take children to assembly. If you have news you want to share with us please be in school for 8.45 so we can give you our attention.

## Behaviour Policy

We introduced this with our last newsletter. We have agreed this system as we care about your children's safety. If a child is hurting another child or staff member in our school it may result in an exclusion.

We also care about your children's learning. If your child refuses is refusing to work so they don't get left behind our policy is that they complete work in detention, some of these will be at playtime and some may be after school. We hope you can see why this is important to your child's learning so that you can help us to support your child to learn.

## Dick Whittington Pantomime

This was enjoyed by children and was a great way to see actors at work. The singing was awful (oh no it wasn't!) and the dancing amazing, especially from a member of our staff team. Thanks to M&M Productions and the school for paying for this.
