

Key Stage 1

There are important changes that are happening in year 1 and 2 this week. Many parents have commented on how much they dislike the year groups mixed together. As the class sizes have risen over this term it is important the children's happiness and learning is maintained. We have therefore employed new staff so that we have two year 1 classes and two year 2 classes. Your child may have moved teachers but we have tried to ensure they have a friend in their class.

 16th December Christmas Jumper Day

Term Dates

16th December school closes 2pm
 4th January 2017 return for Spring Term

Save £400 a year with Free School Meals

Free school meals will provide a warm lunch for your child Monday to Friday. This could potentially save you £400 a year per child!

We would encourage all parents to complete these forms even if your child is already entitled. It entitles the academy to funding called pupil premium. Pupil premium provides the academy with £1,300 for every child who is eligible. This enables us to subsidise school visits, pay for academy visitors, update technology and maintain high levels of adult support in the classroom.

**Twitter**

This is a live blog which allows us to

add pictures and comments about the events that are happening in the academy. Each class also has a Twitter page. The teacher tweets pictures of work and posts notices of things happening in the class. It is a great way to keep in touch with your child's day.

To set up an account on smartphone;

Open app,

Tap set up account,

Fill in name, date of birth, email address and password
 Quit to email,

Verify email by clicking link,

Return to app and log in using address and password.

By computer as above however search for Twitter page and complete new account.

You could find the academy by searching @weelsbyacademy
