

25<sup>th</sup> January 2017

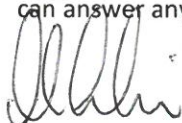

Dear Parent/Carer

As you are aware, your child will be sitting their SATs tests over the week beginning Monday 8th May. In preparation for this we would like to invite you to attend a short informal meeting on Thursday 2<sup>nd</sup> February at 2.45pm in Mr Franklin's classroom. This will be an opportunity for us to talk about the tests and how you can support your child so that they can achieve the best outcomes.

We are doing everything possible to ensure that children achieve their full potential:

- We have employed two additional teachers on a part-time basis to provide additional support in Year 6.
- All children have been provided with revision guides which they can complete at home and at school.
- There will be a SATS café every morning from 8.30am where children can come in for an early breakfast and receive extra help.
- Additional booster sessions are being provided during lunchtimes.
- All children are taking part in an online individual Maths coaching session on Wednesday/Thursday mornings. Please ensure that your child is at school to ensure they do not miss out on this extra tuition.

Thank you in anticipation of your support. I hope that it will be possible for you to attend the meeting so we can answer any questions and provide further information.

M Franklin  
Director of Learning
