20 th July 17	Year 6 Leavers Party
21 st July 17	Break up for Summer 2:15pm

Further dates and information to follow

YEAR 1/2

This week Year 1 have been very busy in phonics, learning to read the different sounds in words in preparation for the phonics screening check next week. Good luck year 1, you have worked so hard, just do your best. We are all very proud of you.

Early Years Foundation Stage

This week Reception have been working really hard writing sentences and adding and subtracting with numicon. We have had a lovely week of wonderful learning. The children make us so proud.

YEAR 3/4

The past week has been exciting in year three and four. The year four children have begun their swimming lessons at Whitgift Academy and it is unbelievable how much progress they have all made in only a few sessions! The year three children have been enjoying learning about Romans and have created some detailed timelines as well as investigating potential energy in science. In literacy we have started to look at non-chronological reports and these are based on the Harry Potter series. It is fair to say the children have been 'spellbound' so far and we are expecting some high quality reports from the children very soon.

YEAR 5/6

Adie Merrikin from GTFC's Sports and Education Trust will be teaching the Y5/6 children their PHSE lessons this term. In the first lesson, they spoke about making good decisions and learning from bad decisions. Then they found out about the structure of the UK Parliament, and about the roles and responsibilities of the government.

Last week our Year 6 children enjoyed building tents and shelters. This is in preparation for the forthcoming camping trip. All of the groups worked really well together, including the group who had to improvise because their tent pack had no poles (this was deliberate!).

IMPORTANT INFORMATION

We are currently making exciting plans to improve our library and will be having new library furniture and new books over the next few months. We have talked to the children about how they would like the library to look and the types of books that they would like to read and this is at the heart of our plans! We have found out about a competition which offers the opportunity to win £5000 of books for your school library and we would love to spend this money on the children at Weelsby. To enter this competition all you need to do is register on the website and the more people who register, the more chances that we have to win! Go to nationalbooktokens.com/schools and once you have registered why not share the competition on Facebook and Twitter on the link beneath? Wouldn't it be wonderful to give our children the gift of thousands of pounds of books!
