20 th July 17	Year 6 Leavers Party
21 st July 17	Break up for Summer 2:15pm

Further dates and information to follow

Early Years Foundation Stage

This week Reception have enjoyed a wonderful visit to Woodside Wildlife Park. The children were amazing considering it was such a beautiful, but very hot day. We met some fantastic animals including wolves, lemurs, lynx, eagles and my favourite capybaras. The Capybara's had just had three babies three days before our visit and they were beautiful. Capybaras are the largest rodents in the world. The children really enjoyed the day and were all brave enough to stroke the snake and the lizard. We were all very proud of the children during this visit.

YEAR 1/2

This week, Year 1 and Year 2 have had a visit from Dinostar, where they learnt all about the dinosaurs and what they looked like. They saw real dinosaur bones and eggs, and were able to make wax crayon rubbings from fossils. The children also made their own fossils!

YEAR 5/6

Year Six had a brilliant time last week at the Cherry Garth Campsite, Humberston. We were greeted by the dawn chorus at 4:30 every morning, but we managed to get back to sleep - for a little while anyway. We took part in loads of amazing activities such as: orienteering around the woods; making fires and toasting marshmallows; and singing around the campfire. By the time Friday afternoon came around we were ready to go back to school and we were so proud of our achievements.

Year 5 and 6 had a great time at the Lincolnshire Show yesterday. They visited a number of exhibitions and saw many species of farm animals. The weather was kind to us and we had a lovely, enjoyable day.

YEAR 3/4

The Year 4s have been working very hard over the past 3 weeks learning to swim. They have all improved from the first day and have grown in confidence in the water. Some students have even managed to successfully achieve their grade 2 swimming certificate! The students have thoroughly enjoyed the experience and have looked forward to their lesson each day. The swimming teachers are extremely pleased with the students progress. We hope the students will continue with their swimming outside of school, building on the new skills they have learnt.

IMPORTANT INFORMATION

Please do not send your child into school with energy drinks. Also please apply sun cream before school on very hot days. Thank you for your support.
