Done!**

Up and Coming Key Dates

5th September 17 Children Return to school

Early Years Foundation Stage

Foundation Stage enjoyed a beautiful teddy bears picnic in the sun this week. It is a lovely end to a fabulous year. We have had an amazing time. I would like to wish everyone a wonderful, safe summer break and the very best of luck next year.

YEAR 1/2

It has been a wonderful year in key stage one this year with so many exciting topics and trips. We would like to thank Parents for their continued support and wish all the children a very happy summer break. Well done everyone, you have all been fabulous.

YEAR 3/4

Year 3/4 had great fun this week, working in groups to complete a problem solving challenge for maths. They were tasked with building the tallest structure possible out of spaghetti, masking tape and string. To make it extra tricky the structure had to be able to hold a marshmallow. The tallest tower in Gangsta Granny class measured 57cm! Everybody was really proud of their structures and worked really hard in their teams.

YEAR 6

So another year comes to a close and yet again we have to say goodbye to the oldest children in the school. Throughout the year everyone has committed to being the best they can be and doing the best they can. We've had lots of ups and down, but the ups made everything worthwhile. We have seen a massive improvement in attitude and maturity and we know that our children are ready for Year Seven in a different school. We hope we see you all again and even if we don't, just remember that we are very proud of the "Class of 2017".
