Penguins: [Jan Szysz](#)

Peacocks: [Ashley Green](#)

Koalas: [Troy Rycroft](#)

Pandas: [Gracie Barrett](#)

Polar Bears: [Dan-Gabriel Spiridon](#)

Grizzly Bears: [Darius Fugin](#)

Lions: [Tazmin-Jade Kirby](#)

Tigers: [Rihanna McGuire](#)

Leopards: [Connor Huxstep](#)

Pumas: [Morgan Allison](#)

**Well
Done!**

Year 1 and 2

This week, continuing with our Dinosaur Roar topic, Year 1 have used Active learning to make their own dinosaurs.

Children in year 2 are learning about the benefits of exercise through their topic 'Bounce'. They have been learning about their internal organs and in particular how to keep their heart healthy. They have enjoyed taking their pulse and seeing how exercise affects it.

Early Years Foundation Stage

This week we invited our parents in to listen to Story time and help us to sing Nursery Rhymes. We are very good at listening and singing and we had a fantastic time. Thank you to the mums, dads and nannas for joining us.

Reception

In Butterflies and Ladybirds, we went to the beach on Monday. When we arrived we had a picnic. Once, we had finished our lunch we made sandcastles and Miss Islip made us kites to test out on the beach.

Year 5 and 6

Year 5 have been looking at propaganda from WW2 and they have interpreted a poster of their choice in either paint, water colour or pastels.

This week Leopards did some brilliant learning in drama. We learned all about how evacuees must have felt when they left their parents for an unknown life in the country during the war. We learned that some children might have actually have enjoyed their new life in the countryside.

Year 3 and 4

In year 4 the children have been working on an exciting science experiment. They mixed corn flour and water to create a substance that behaves like a liquid and a solid. It was really messy and fun. We have also been learning a text by heart. It is an excerpt from 'George's Marvellous Medicine' by Roald Dahl. They enjoyed creating actions in groups.

In year 3 we have been writing instructions on how to make a fruit salad. Once they wrote the instructions they made the fruit salad to test whether the instructions worked or not. We are pleased to report that the fruit salads tasted fantastic! We have been working on innovating the story of 'The Papaya That Spoke' and have had fun thinking of all the alternative characters.

IMPORTANT INFORMATION

Parent's evening will be held on Wednesday 18th October between 3.30pm and 5.30pm. Please complete the attached slip and return to your child's teacher by Monday 9th October in order that appointments can be made.

Due to Healthy and Safety if your child is absent please ensure you call or pop in to the main reception and let the office staff know.
