**Well Done!**

### Early Years Foundation Stage

In nursery this week we had to get from one island to another without falling into the water. This made us think very hard about working together, taking turns and being part of a team. "Watch out there's a shark about!"

In Butterflies and Ladybirds this week, we have enjoyed using the cars during active learning. We made a road with the chalk and practiced our road safety skills. We know how to use a zebra crossing properly.

### Year 1 and 2

Year 1 have been learning all about the Little Red Hen, all of the children now know how to tell the story themselves and know all of the actions! We have also been creating our own sentences about the Little Red Hen.

In Year 2, the children have thoroughly enjoyed learning and acting out the story of 'The Enormous Turnip.' They have questioned the farmer to find out what he is like and we have spotted nouns in the story. We look forward to changing the story next week using our imagination.

### Year 5 and 6

Year 5 thoroughly enjoyed their visit to East Kirkby Aviation Museum and experiencing the power of the 'Just Jane' Lancaster bomber.

Year six visited the Lincolnshire aviation heritage centre on Thursday. We watched the Lancaster bomber taxi and explored the many and varied museum exhibits. It really added to our understanding of the Second WW.

### Year 3 and 4

In Year 3 and 4 this week we have been learning about different gases, including air. Our challenge was to see if we could make a Ping-Pong ball move using just a card fan. We were not allowed to touch the ball either with our hands or our fan! How do you think we got the ball to move?
