<p>OFFER A WIDE RANGE OF EXTRA CURRICULAR ACTIVITIES</p> <p>AND</p> <p>INCREASE PARTICIPATION LEVELS</p>	<p>Continue to offer a wide range of extra-curricular activities and ensure they are accessible to all.</p> <p>The school has introduced new sports or activities and encourage more pupils to take up sport.</p> <p>The school has used external resources to deliver a wide range of activities - clubs have included: hockey, dodgeball, football, netball, tag rugby, multi-skills and fencing.</p>	<p>The School Portal has enabled us to record all the data and ensure accuracy.</p> <p>86% of our pupils have attended an Extra-Curricular Activity within this academic year. On further analysis it appears those children in Reception will need better access next year.</p> <p>The figure will be higher than 86% as the school run more Extra-Curricular Activities both internally and externally.</p> <p>The lunch time activities have reduced the level of conflict on the playground as</p>	<p>Ensure that 100% of children attend a minimum of one extra-curricular activity.</p> <p>To make further provision for those children in Reception regarding extra-curricular activities.</p> <p>Identify the wishes of the children through a pupil survey offering up to 20 activities.</p>

		the children are engaged better. This has been difficult to quantify but improvements are noticeable.

OBJECTIVE & INVESTMENT	PROVISION	EVIDENCE OF PROGRESS	ACTION PLAN FOR 2017-2018
<p>IMPROVE PUPILS HEALTH & WELL-BEING.</p>	<p>Continue to monitor the progress of children within the 'My Personal Best' Initiative will enable the school to monitor the progress in greater depth.</p> <p>Place a greater emphasis on educating all children including those categorised as 'Overweight' or 'Obese' what a Healthy and Active lifestyle looks like.</p> <p>Nutritional sessions will be included within PE lessons. This will take place when adverse weather conditions restrict physical activities.</p>	<p>At the time of writing the impact document, the re-testing and results for the My personal best initiative are being completed.</p> <p>All the progressions made for each individual pupil can be seen within the My Personal Best Results.</p> <p>As a result of the program, children are fitter, healthier and are more motivated to continue to improve.</p> <p>Children have a greater understanding of what is required to live a Healthy and Active Lifestyle.</p>	<p>Continue with the implementation of nutritional sessions within PE lessons.</p>

OBJECTIVE & INVESTMENT	PROVISION	EVIDENCE OF PROGRESS	ACTION PLAN FOR 2017-2018
<p>CONTRIBUTE TOWARDS THE SPIRITUAL, MORAL AND CULTURAL DEVELOPMENT OF THE CHILDREN.</p>	<p>Introduction of British Values sessions within the curriculum linked to sport.</p> <p>Children in year 5 have been given Bikeability training to ensure they are confident and proficient enough to cycle safely among the general public.</p>	<p>This area is difficult to quantify. This objective is embedded at the core of all we do in PE and school life.</p> <p>Children display higher self-esteem and respect for one another and those from different cultures.</p> <p>All children who passed the Bikeability training have been documented and received a certificate.</p>	<p>Continue with the annual Bikeability training and encourage an even higher level of student participation of this safety training.</p> <p>An Anti-Racism seminar will be given, this is themed through the positive impact Sport has had in this area.</p> <p>Introduce the incentive of Sports Ambassadors within the school from Year 6 pupils, who are to work with younger children, within sport, to enhance their daily life.</p>

Sports Premium Budget for 2017-18 - £18730

We are happy to commit more to PE and Sport as we see the value of the positive impact on each individual child.
