

At Weelsby Academy we teach early reading and phonics using Read Write Inc (RWI). Children in Reception to Year 2 have daily phonics lessons.

There are videos on YouTube to help you support at home.

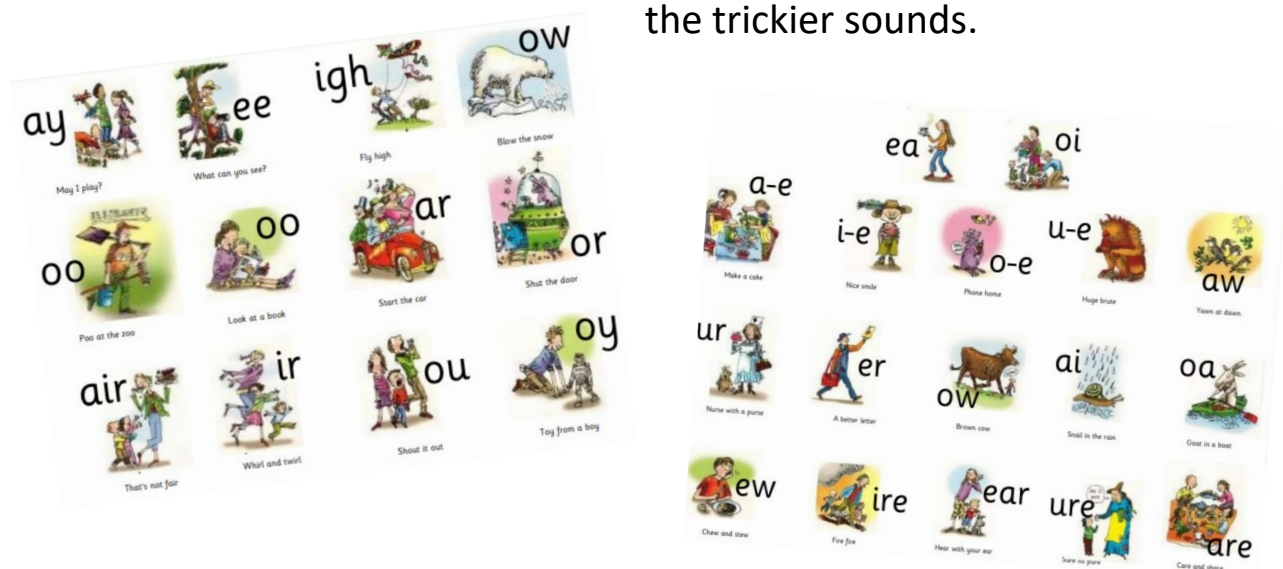

The children learn to Fred Talk (say each sound), then blend them together to make the word.

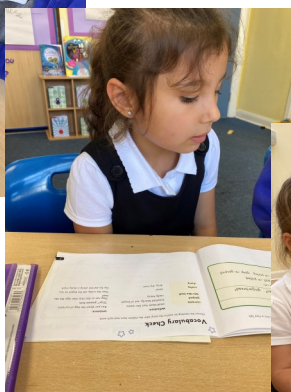

In Reception they are learning to recognise and say the first few sounds as well as learning to write them.

In Year 1 and 2 the children are practising their blending and learning some of the trickier sounds.

The children are working hard to improve their fluency—reading in a story telling voice at a good speed and their understanding (comprehension) of what they are reading.

We will be arranging a parents meeting to help you help your child at home so please look out for a letter with the dates and details.

If you want any advice, please speak to your child's class teacher or Mrs McCall.
