

## Nursery Class Newsletter – Spring Term One

### Message from Miss Puckey, Mrs Hullett and Miss Evans

We continue to be so impressed with all the children in Nursery Class. They amaze us every day with their positive attitude towards learning - especially in their Talk for Writing lessons as children learn all about their new text "Goldilocks and The Three Bears". Please follow us on Twitter @MissPuckey1 to see photographs of all our wonderful learning and to follow our learning journey this half term!

### School Uniform

It is the school's policy that all children should wear school uniform at school.

Children should wear:

- A navy sweatshirt, cardigan or fleece with the academy logo.
- A white polo shirt.
- Black or grey trousers, pinafore or skirt.
- Sensible, black footwear.

As it is getting colder and the children will continue to play outside, please ensure they have a winter coat, hat and gloves – with their names in them.

I also ask that children bring a bag with spare clothes, socks and nappies/pull-ups/pants and baby wipes in case your child has an accident.

### Attendance

Research proves that attendance is linked to academic achievement. The more your child is in school, the better they will achieve academically! Parents and carers play a key role in ensuring their children attend school regularly. **Therefore, please ensure that your child comes to school every day.** Children will earn a variety of individual and class rewards for meeting our 96% attendance target!

### Punctuality

As well as regular attendance at school, parents need to ensure that their child arrives at school on time each morning. School starts at 8.45 am with the registers at 8.55am. Being late on a regular basis adds up to a loss of learning time.

**Don't be Late Through the Gate!**

5 minutes late every day	3.5 days of lost learning time per year
10 minutes late every day	7 days of lost learning time per year
15 minutes late every day	10.5 days of lost learning time per year
30 minutes late every day	21 days of lost learning time per year
