Writing is assessed using evidence collected throughout Year 6. There is no Year 6 SATs writing test.

THE RESULTS

Tests are marked externally. Once marked, the tests will be given the following scores: a raw score (total number of marks achieved for each paper), a scaled score (see below) and a judgement on if the National Standard has been met. After marking each test, the external marker will convert the raw score to a scaled score. Even though the tests are made to the same standard each year, the questions must be different. This means the difficulty of the tests may vary slightly. Scaled scores ensures an accurate comparison of performance over time. Scaled scores range from 80 to 120. **A scaled score of 100 or more shows the pupil is meeting the National Standard.**

- Pupils who score 110 or more will be considered to have 'greater depth' knowledge.
- Pupils who score 100 or more will have met the 'expected' standard.
- Pupils who score below 100 will not have met the 'expected' standard.

2025 SATS WEEK IS MONDAY 12TH MAY – THURSDAY 15TH MAY.
